Learning Gym Math Unit Tracking Sheet
Basic Math: Whole Number Applications: Graphs and Charts

Name: ____________________  Start Date: _______  Completed Date: _______

Discuss
Discuss the Introduction tab with a Coach.
Coach Initial: ___________  Date: ___________

Problem Solving
Discuss the Problem Solving tab with a Coach. Talk about the Concept/Skill and Sample to make sure you understand it.
Coach Initial: ___________  Date: ___________

Practice
You will always do the Problem Solving section. The most important thing about any new Math you learn is to be able to use it to think about and solve real problems.

Apply
• Get a copy of the Whole Number Applications: Graphs and Charts Post-Test from a Coach. Do not do numbers 5, 6 or 13.
• Problem Solving Post-Test
  1st try: _________  2nd try: _________  3rd try: _________  Pass: __________
• A passing score is 11 out of 14 for the Whole Number Applications: Graphs and Charts Post-Test. If you do not pass the Problem Solving Post-Test, review the Problem Solving tab again.
